

# Why we are an ideal supplier for an online shop?

## 18.000 goods

We do not have to pay for delivery from several suppliers as our range of products includes all that is available on the market for intimate products.

## Redelivery

Regardless of reasons for which your client rejected an order, we will accept redelivery of goods and will return money.

## Drop Shipping

We are ready to undertake to deliver orders to your clients and money received from clients will be transferred to your account.

## Uploads

Automatic updates of remaining products and prices at your online shop, a full archive of photographs and description of goods.

## API

Save your time! Orders for goods from our warehouse can be made automatically; exchange is to be set for this purpose and everything is ready!

# Ready-made business of selling intimate productshop?

## Saving

Purchase of a ready-made shop will save you at least 2 month and 145.000 rubles.

## Design

All adaptive design looks good on displays of smartphones and tablet computers.

## CMS

The website has been based on the 1C-Beatrix platform for development: number one in Russia.

## Quick start

An online shop fully ready to receive orders in 2 days.

## Range of products

The shop's catalogue includes over 18.000 goods carefully classified by categories. This is much more than most online shops have.

# What is real dropshipping?

Sales are the main thing at an online shop! We are ready to do the work for you so that you do not have to focus on daily delivery of orders to clients across Russia. **How is it possible?**

- 1 You communicate information about an order, its cost and delivery method to us.
- 2 We contact a client on your behalf and confirm an order.
- 3 An order is formed and packaged at our warehouse.
- 4 We pass an order ready to be sent to our courier or a delivery service.
- 5 We transfer money received from the client to your account.

# Why we are an ideal supplier for a shop?

## Exchange for unsold goods

We do not simply sell goods to you; we share responsibility for how they will sell at your shop! How? We will exchange everything that has not been sold for more demanded goods.

## Ratings of sale

We will let you compare prices of different suppliers. Moreover, you do not have to go to different websites to compare prices.

## Marketing

We test campaigns with different brands and goods at our shops and offer you to those that have been really successful.

## Ratings of sale

We provide you with access to sale statistics at our shops: this valuable information will help you avoid errors in forming your orders.

## Saving

The finished 1C Retail configuration is easily installed and used. You will not have to waste your time and money on a programmer, receipt of goods, publication of price lists, and other operations. This will take you just a few minutes now!
